4. BARTHOLDY

The untold story of Hitler's mysterious "death".  
Facts about the unsupportable story of suicide and cremation.  
How did the dis-information come about?

Chief British Intelligence Officer H.R. Trevor-Roper,  
LAST DAYS OF HITLER, wrote a report in which "there is not  
one shred of evidence to prove that Hitler died by suicide".

"The Trevor-Roper book does not contain a single fact of  
Russian Intelligence findings". Six months after the  
investigation, Nov. 1, 1954, Major H.R. Trevor-Roper wrote that  
Hitler and Eva Braun died by suicide."

as a decoy while Hitler goes underground. Printed April 26, 1945.

5. DORNBERGER

Since 1975 I have accused Mark Lane of purposefully concealing  
the NAZI CONNECTIONS TO THE ASSASSINATIONS OF President John  
F. Kennedy, Sen. R. Kennedy, and Rev. M.L. King.

Walter Dornberger, Michael Paine, Lee Oswald, NASA.  
Albert Osborne, alias John Howard Bowen, Div. V, NASA, DISC.  
Clay Shaw, OSS, Gen. Reinhard Gehlen, Nazi connections.  
Alexander Ziger, Argentine, Oswald, Marina Oswald, CIA, Nazi links.

HOW DID MARK LANE MEET UP WITH CHIEF OF BRITISH INTELLIGENCE  
ROPER, THE ONE MAN RESPONSIBLE FOR THE "HITLER BRAUN" LIES?

When did the two cover-up artists combine? How far back?
