NATIONAL PUBLIC RADIO: CONTANT INSINUATIONS ABOUT "CRITICS"

Nina Totenberg, 31 Eighth Ave. N.E. Wash. D.C. 20002

202 - 546 - 2442 Uninformed on major facts, threw on the air all the Committee printed sheets. Future Barbara Walters!! No mind of her own

Joseph Volz, 15611 Passaic Lane, Bowie, Md. New York Daily News Relished every hint of possible Castro motive, cautious on any conspiracy cover-ups. Represented apologist for ABC, NBC, ABC, UPI, AP.

CONGRESSIONAL UNUCHS: INCOMPETENT, CONFLICT OF INTERESTS, IGNORANT
Graded on scale of 1 to 10. Compare yourself when testimony published.

- + 3. Rep. Floyd Fithian, Ind. History professor Navy, Navy reserves to conflict here. Asked 3 good questions, got 3 points, 17 days.
- +3. Rep. Robert Eggar, Pa. Graduate Minister. Panicked when told "4 shots at Dealey Plaza" "What will I tell my son?" Try the truth!!
- 100 Rep. Yvonne Burke, Calif. Too busy running for Calif. Atty. Gen. to expose national conspiracies. How about RFK investigation in Calif. Didn't attend meetings, couldn't expose her public cover-up.
- 1 Rep. Samuel Devine, Ohio. Former FBI agent, had to hear how FBI bungled the first investigation. Cut losses with "Hoover".
- 1 Rep. Christopher Dodd. Tried to appear interested, while keeping quiet on the mass of evidence his constituents gave to him.
- 20 Rep. Walter Fauntroy. I detest a black man imitating British jurists, not knowing his head is in the wringer next!! King Alfred!
- 150 Rep. Louis Stokes, Chairman. Fed information from Dick Gregory, knew the game rules, smooth, skilled, wanting approval of Congress, the Pentagon, DIA, CIA for concealing their murders.
- 1 Rep. Richardson Preyer, N.C. "Here comes the judge". He defended the Warren Commission, prosecuted Oswald, with expertise.
- 0 Rep. Charles Thone, Neb. I think I heard him ask 1 teeny question. Was he missing, asleep, running for office, not interested?
- 10 Rep. Harold Ford, Tenn. "I pass this one" Not interested in questions Look up record of Albert Osborne, DISC agent, from Tenn. Oswald's companion on bus to Mexico.
- 1 Rep. Sawyer, Michigan. Took Gerald Ford's seat when Ford became President. Fat chance of his exposing Ford's CIA, FBI links.
- 1 Rep. Stewart McKinney, Conn. Rode in motorcade in Conn. when car almost went into Pres. Ford. no chance he would expose Ford.

One member of the Committee, not identified by name, asked "WHO IS MEYER LANSKY?" so they cant all be members of Organized Crime. And they cant all be stupid. What are their links to the FBI, CIA, DIA, NSA, DISC?
