EVIDENCE NOT USED BY HOUSE SELECT COMMITTEE

Picture of man in Dal-Tex Building, behind JFK.  
House Select Committee didnt examine these closely.  
Robert Grodon showed them the first day.  
Tom Canning testified shots could come from there.  
Members of Crime-Syndicate were there, Suspects were taken here.

JOHN CONNALLY CLOTHING

House Select Committee didnt attempt to find out why entry, exit fibres were washed from these garments immediately, before the Warren Commission got to them.

This was Item #3 on my position paper in 1976, after Evidence Destroyed. How did Connally's clothing get to the cleaners? Somebody had to pick them up from Cong. H. Gonzalez. Somebody had to order them destroyed.

CAR INTERIOR OF JFK, Never examined before torn out, 48 hours later.

AUTOSPY X-RAYS, not used for autopsy on JFK. Not developed.

STREET SIGN, Dealey Plaza, removed day of assassination. WHERE? WHO?

Street Light, Dealey Plaza, removed day of assassination. WHY? WHERE? WHO?
