DWIGHT D.EISENHOWER, APRIL 16, 1953 SPEECH BEFORE NEWSPAPER PUBLISHERS:

"Every gun that is made, every warship launched, every rocket fired signifies, in the final sense, a theft from those who hunger and are not fed, those who are cold and not clothed. This world in arms is not spending the sweat of its laborers, the genius of its scientists, the hopes of its children.. This is NOT A WAY OF LIFE AT ALL IN ANY TRUE SENSE. UNDER THE CLOUD OF THREATENING WAR, IT IS HUMANITY HANGING FROM A CROSS OF IRON". The "cross of iron" is the IRON CROSS.
