HOUSE SELECT COMMITTEE ON ASSASSINATIONS

Robert Blakey's Assignment

- 1) Use scientific evidence to support original findings.
- 2) Silence the mounting critics, they are going too far.
- 3) Turn the Gallup Pole around, so U.S. flag can fly again. Make us proud of our Federal Agents. End suspicions.
- 4) Put mass of blame on J.E. Hoover, for hiding "Hosty letter", and Allen Dulles, for "not telling CIA plans to kill Castro".
- 5) Place any further information upon "KGB", that "we will never know until their Oswald files are out", while we destroy and lock up our evidence and testimony.
